Hiring Manager
Ascendion
3505 E Frontage Rd Suite 325
Tampa, FL 33607

Dear Hiring Manager,

I am writing to express my interest in the Full Stack Developer position at Ascendion. With a strong foundation in software development and a passion for leveraging technology to solve complex problems, I am excited about the opportunity to contribute to your team and help drive innovation at Ascendion.

Throughout my career, I have developed a comprehensive skill set encompassing various programming languages, frameworks, and development methodologies. I am proficient in technologies such as Java, Node, JavaScript, TypeScript, React, Redux, JSON, CI/CD, MySQL, GraphQL, RESTful services, MicroServices, and Kubernetes, with hands-on experience in building scalable and efficient software solutions. My expertise extends to both frontend and backend development, as well as database management and system architecture design.

In my previous roles, I have demonstrated my ability to deliver high-quality software products that meet and exceed client expectations. Whether collaborating with cross-functional teams to define project requirements or working independently to troubleshoot and debug code, I am committed to delivering solutions that are not only technically sound but also user-friendly and intuitive.

One of my proudest accomplishments was leading the development of a mission-critical application for JPMorgan Chase. By leveraging agile methodologies and incorporating user feedback throughout the development process, we were able to deliver a product that significantly improved operational efficiency and customer satisfaction. This experience taught me the importance of effective communication, collaboration, and adaptability in achieving project success.

Thank you for considering my application. I am excited about the opportunity to join the talented team at Ascendion and contribute to its mission to empower growth and innovation through tailored digital engineering solutions. Please find my resume attached for your review, and feel free to contact me to schedule a discussion.

Sincerely,
Ilya Aronov
